

MILTON KEYNES DRAGON BOAT FESTIVAL

in aid of MacIntyre

Crew Gazebos

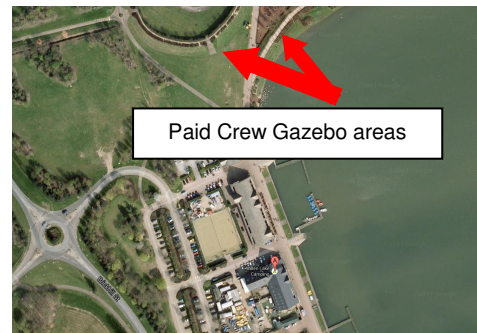

We are offering a limited number of crew gazebos for hire. Each high quality unit measures 3m x 3m and comes complete with 17 chairs (more are available on request). The gazebos will be situated in a good position at Willen Lake at the finish end of the racecourse and will provide an ideal base for your crew as well as shelter in case of inclement weather (or from the hot sun!)

Priority positions on the Peninsular will be given to Gold crews and those booking private catering (see separate forms). Crews expecting more than 75 guests must contact Gable Events to book the additional land space required (extra fees apply).

The gazebos will be delivered and erected for you before the event and taken away at the end and all come with your company name attached. We have managed to negotiate an excellent rate with our supplier and are providing them at cost plus a small administration fee.

Gazebos will be allocated on a first come, first served basis (max one gazebo per team entry) on receipt of the completed booking form below together with appropriate payment.

Please note, crews may bring their own gazebos (max 3m x 3m) to be sited in the crew area.
