

Help us keep things shipshape

About Rainbows:

As the only hospice of its kind in the East Midlands, we provide vital care and support to children and young people suffering from life-limited conditions. We provide end of life care, symptom management, short breaks and respite. This includes specialist nursing, palliative care and therapies, such as complementary therapy, music therapy, physiotherapy, play therapy and hydrotherapy.

Rainbows is a place for children to play, laugh and receive the best care possible. Along the way we support mums, dads, siblings and grandparents – because life-limiting illnesses affect the whole family.

Rainbows in numbers:

We can be there for over 400 children and young people in the East Midlands

We're helping over 250 bereaved families deal with the loss of their child

90 siblings of children with life-limiting conditions are supported by Rainbows

We provide 24 hour care 7 days a week

- **£20 funds a session of play**
